(3) Other Planning Matters

Councillor James Hoddell (Chair of Planning Committee) presented the Council with the schedule of costs plus details of the proposed consultants being used for the Locality Grant Application of £10,000. He was confident that the grant would be forthcoming and the consultants chosen would provide quality services at reasonable costs.

Councillor James Hoddell updated the meeting on the issue of a piece of land in Ladymead Lane, which had recently received planning consent for the development of nine properties on appeal. This land is subject to a restrictive covenant in favour of Churchill Parish Council and North Somerset Council.

Councillor Hoddell had received legal advice, which suggested the Parish Council avoid a lengthy and expensive legal undertaking, which would probably result in the planning application going ahead.

It was suggested that North Somerset Council release the restrictive covenant by claiming an 'overage payment'. This payment would be based on the increased value of the land with the benefit of the planning permission

Any funds received by Churchill Parish Council would be used to improve facilities within the parish. In particular to finance the upgrade and surfacing of the public footpath which runs adjacent to the subject property towards Churchill Academy.

RESOLVED

It was agreed that Councillor James Hoddell write to North Somerset Council on behalf of Churchill Parish Council to propose that in return for signing away Churchill Parish Councils rights under the covenant, North Somerset Council would pay Churchill Parish Council the higher of: (i) 15% of the overage payable by the purchaser or (ii) £50,000. In addition NSC would agree to cover all of Churchill Parish Councils reasonable legal expenses in drafting the necessary documentation.

The meeting discussed the need for Churchill Parish Council to respond to the 'Choices Consultation' prior to the upcoming deadline.

RESOLVED

It was agreed that Councillor James Hoddell draft a response, to be circulated and agreed by members of the Planning Committee.

The detail of payments for authorisation at the meeting had been listed on the agenda and circulated to all members and displayed on the Council's website and noticeboards.

1920/C/219 Clerk's Report

Members had been circulated with the full report of the Clerk.

RESOLVED:-

The report of the Clerk is noted.

1920/C/220 To receive matters for information and future Agenda items

It was agreed to add the issue of 'Flooding in Churchill' to the next Agenda, as there was insufficient time to read and discuss latest reports prior to this meeting. Richard Branchflower, NSC Officer to be invited.

Councillor Bill Carruthers

Councillors recently received a notice of road closure from NSC. There were concerns regarding the length of time the road was to be closed. Councillor Carruthers agreed to contact the appropriate department to discuss this.

Councillor Jan Murray

Councillor Murray informed the meeting that the large building located in the Silver Zone of Bristol Airport was an office space..

JM confirmed holding the twice monthly meetings to find ways to keep the Churchill Sports Centre open. A setback was that the Churchill Academy is building a fence all the way around the building. This would make access to the Sports Centre difficult and only gained by using a security pass.

It was agreed to add 'Police Matters' to the next Agenda.

Councillor Murray also discussed the rural housing need & suggested that any housing development set aside a percentage of housing for local people, in particular key workers.

Councillor Rick Brafield

Councillor Brafield spoke to the meeting regarding a request from the local Cricket Club about the possibility of leasing the cricket field. They felt that a lot of investment on their part had been given to maintaining the cricket field area. The Parish Council confirmed their wish would be to encourage sports to be played at this site & there was no intention to stop the cricket club using the field at any time. A lease could be something to discuss at the next Leisure Committee meeting.

Councillor Jackie Bush (Chair)

Councillor Bush updated the meeting on the Churchill Volunteer Group. Their services were being reintroduced. The group had obtained a recent grant of £10,000. They would be organising a food bank at St Marys Church on a Monday. Collections and deliveries of medicines and shopping needs would again be available to the vulnerable in the local area. A mailing to every home in the village has been organised giving full details.

JB confirmed that volunteers would be appreciated and to contact Trevor Smallwood or Ian Beadle for more details. .

There being no further business the Chair closed the meeting at 8.55pm
